A Contemporary art is the art of today, produced in the second half of the 20th century or in the 21st century. Contemporary artists work in a globally influenced, culturally diverse, and technologically advancing world. Their art is a dynamic combination of materials, methods, concepts, and subjects that continue the challenging of boundaries that was already well underway in the 20th century. Contemporary art - Wikipedia It generally defines art produced after the Modern Art movement to the present day. However, modern artwork is not just art produced during a specific time-frame. This genre of art does have its own approach or style that distinguishes it from others. Yet, this style of art is difficult to define because it includes such variety. Contemporary Art : Definition | IESA International Intended as a reaction to preceding modern art movements, contemporary art is thought to have begun on the heels of Pop Art. In post-war Britain and America, Pop Art was pioneered by artists like Andy Warhol and Roy Lichtenstein.
