physiotherapists analyze their patient/client management and describe the scope of their practice. The Guide is necessary not only to daily practice but to preparation of students. We hope it will be used as a GUIDE TO PHYSIOTHERAPIST PRACTICE Originally, APTA developed the Guide to Physical Therapist Practice as a resource also for health care policy makers, administrators, managed care providers, third-party payers, and other professionals. Because these external stakeholders now have access to other key resources, and because the rapid evolution of health care policy requires more dynamic documents, Guide 3.0 was developed primarily for physical therapist and physical therapist assistant audiences.
