homoeroticism. . . . An insightful, intelligent book that will challenge how scholars have traditionally perceived female intimacy and female communities in the Enlightenment." —Choice Invisible Relations: Representations of Female Intimacy in ... Although these two perceptions of female intimacy may seem mutually exclusive, the author argues that both operate as defining parameters, not only for literary representations of relations between women but also for cultural responses to those institutions in which women could gather—salon, convent, theater, or brothel. Despite increasing evidence of female homosocial and homosexual bonds during this period, representations of female intimacy have remained
