business transaction that spans
multiple services is a saga. A saga
is a sequence of local transactions.

Each local transaction updates the database and publishes a message or event to trigger the next local transaction in the saga. Pattern: Saga - Microservices This saga yet again features Thok trying to beat Marmaros in a battle of brawn, with the winner being the one with the higher killcount. To start the Saga, you must find a Rock and Twine Bundle on the Occult Floors (36-40) of Daemonheim..
