The End Of Power From The End of Power by Moisés Naím talks about sources of power and explains that there is a mutation of power happening right now. The general narrative is that power is concentrating, that inequality of wealth and inequality of income has become more radical. The End of Power: From Boardrooms to Battlefields and ... However doom-laden for a mega-player or potentially liberating for a change agent, the End of Power's key strategic point is that the once impregnable positions held by dominant nations and corporations are being undermined by three cultural shifts that have arisen out of a greater access to 'soft power'
