Contexts and Topics of Discourse . The study of discourse is entirely context-dependent because conversation involves situational knowledge beyond just the words spoken. Often times, meaning cannot be extrapolated from an exchange merely from its verbal utterances because there are many semantic factors involved in authentic communication. The Meaning of

Discourse - ThoughtCo In linguistics, the topic, or theme, of a sentence is what is being talked about, and the comment is what is being said about the topic. This division into old vs. new content is called information structure. It is generally agreed that clauses are divided into topic vs. comment, but in certain cases the boundary between them depends on which specific grammatical theory is being used to analyze the sentence. Topic, which is defined by pragmatic considerations, is a distinct concept from grammati Topic and comment - Wikipedia Topics in Yala Grammar: George, Isaac: 1975: A Grammar of Kwa-Type Verb Serialization: Its Nature and Significance in Current Generative Theory: Hudson,
